

# Youth Social/Support Group for young people with epilepsy

Join Epilepsy Families Southeast Wisconsin for a Youth Social/Support Group where young people with epilepsy can meet others struggling with similar issues, make friends, and learn from the experiences of others with similar challenges. The group will be divided by age groups 6 to 12 and 13 to 17. There will be games available to play, we will serve pizza, and we will have a short discussion. Parents are encouraged to attend to network with other parents. The group is sponsored by Epilepsy Families Southeast Wisconsin.
